Rex Johnson practices law with an emphasis on patent prosecution, trademark prosecution and intellectual property litigation. He is a registered patent attorney with experience in all phases of patent litigation, including discovery and claim construction. Mr. Johnson has handled matters and written opinions involving a wide range of technologies, ranging from trunked radio recorders and device servers, to medical devices and fluid pumps, to roofing panels and wellhead isolation tools. Mr. Johnson currently serves as co-chair of the firm's Intellectual Property Law Department.
